

SIB – Sanctions Exposure Questionnaire

Corporate Legal Entity Assessment

The United Nations Security Council (UN), European Union and its member states (EU), Her Majesty's Treasury-United Kingdom (UKHMT), and the United States Department of the Treasury's Office of Foreign Assets Control (OFAC) are all public bodies recognised by SIB. In addition, SIB observes any additional sanctions laws where it operates. In this regard, SIB endeavours to understand the extent of its clients' activities with certain sensitive sanctioned countries and list based sanctions regimes. The purpose of this form is to ask questions which seek to best identify and understand the nature of any such exposure.

Please answer the questions set out in section 1 for the Legal Entity. Where answering "YES" to any question in section 1, please respond to the corresponding question(s) in section 2. Please complete the Sanctions Exposure Attestation in section 3 in all circumstances.
